«Everyone who acknowledges me before others, I will acknowledge before my heavenly Father.»

(Mt 10:32)

2012

How can we live this Word of Life?

He tells us himself: «Everyone who acknowledges me before others...». Let's decide to always tell others that we know him. We can do it simply and honestly.

Jesus wants to reach everyone with his message of peace, justice and love. And he can do it through us!

Let's bear witness to him especially by the way we act – to be

honest, to live according to our Ideal, to have good moral values, to be detached from money, to be witnesses of the culture of giving by sharing the joys and sufferings of others.

Hi! My name is **Fouad**, and this is my experience:

I have a really good friend at school but lately he started telling me a lot of lies and also talking about things that guys of our age shouldn't talk about.

I realized I had to have the courage and the strength to take the first step and so one day I told him:

«It's true that you are my best friend, but I don't want to be your friend anymore, because I don't like having friends who tell lies and talk about bad things.» That's how I left him, and didn't talk to him for the rest of the day.

That evening, his brother called me, saying that my friend was crying and wanted to talk to me. After we talked he promised he wouldn't tell any more lies or say bad words, and so we went back to being best friends.
