«AIM
HIGH
IN
LIFE»

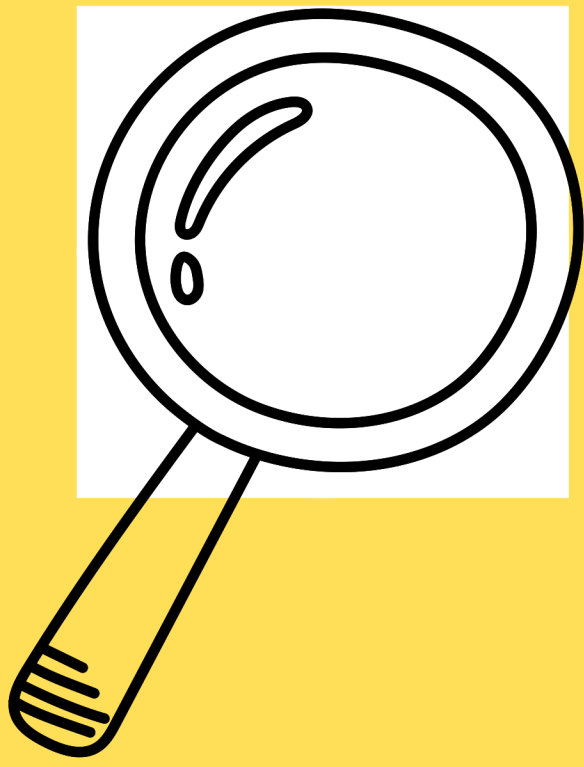

“

W O R D O F L I F E

**«Set your minds
on things that are
above and not on
things that are on
earth»**

(Col 3:2)

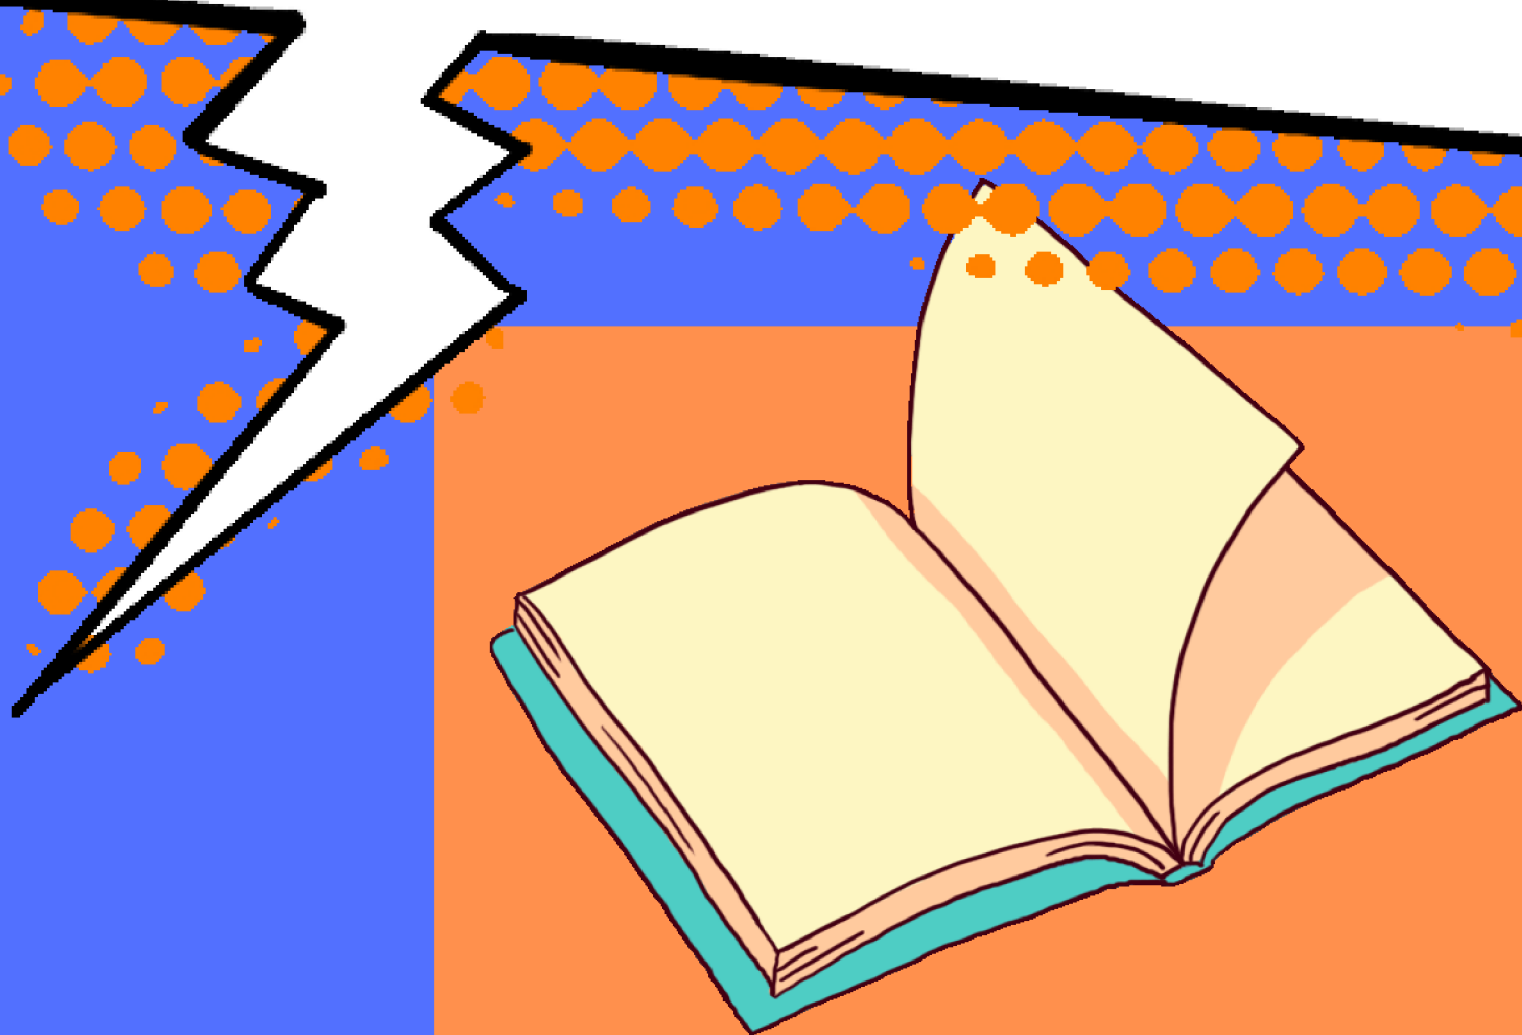

**What does it mean
to seek the things
that are above?**

**It means that in your life you should
aim at God and what concerns him.**

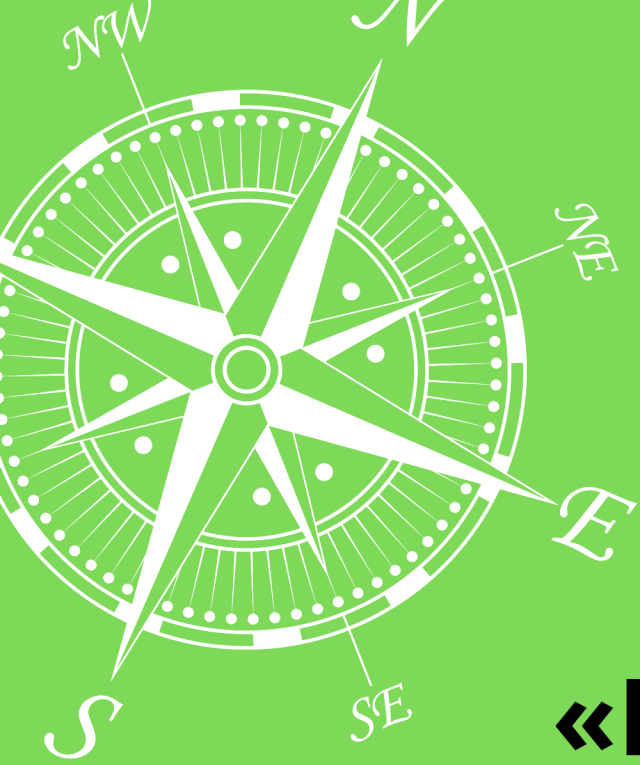

**Jesus brought on earth the
life of heaven. When he rose
from the dead on Easter, he
brought about a new
creation, a new humanity.**

**What are the
consequences
of choosing to
live the Gospel?**

The background of the image features several stylized yellow leaves with thick black outlines. These leaves are scattered around the central text, with some partially visible at the edges. The leaves are decorated with small grey dots and some have short black lines representing veins or stems.

Living the Gospel is a choice that totally changes our way of thinking. It turns upside down our idea of what is a good model to follow, as well as the goals proposed to us by the world around us. It frees us from the influence of others. We are totally changed!

«What does the

"things that are above"

mean in this Word of Life?»

**«It means all those values
that Jesus brought on
earth and characterize his
followers, like:**

• mutual love,

• peace,

• forgiveness,

• purity,

• honesty,

• justice...

**THE WORDS
OF THE GOSPEL
OFFER US MANY
GOOD VALUES,
AND WE SHOULD
PUT THEM INTO
PRATICE.**

joy

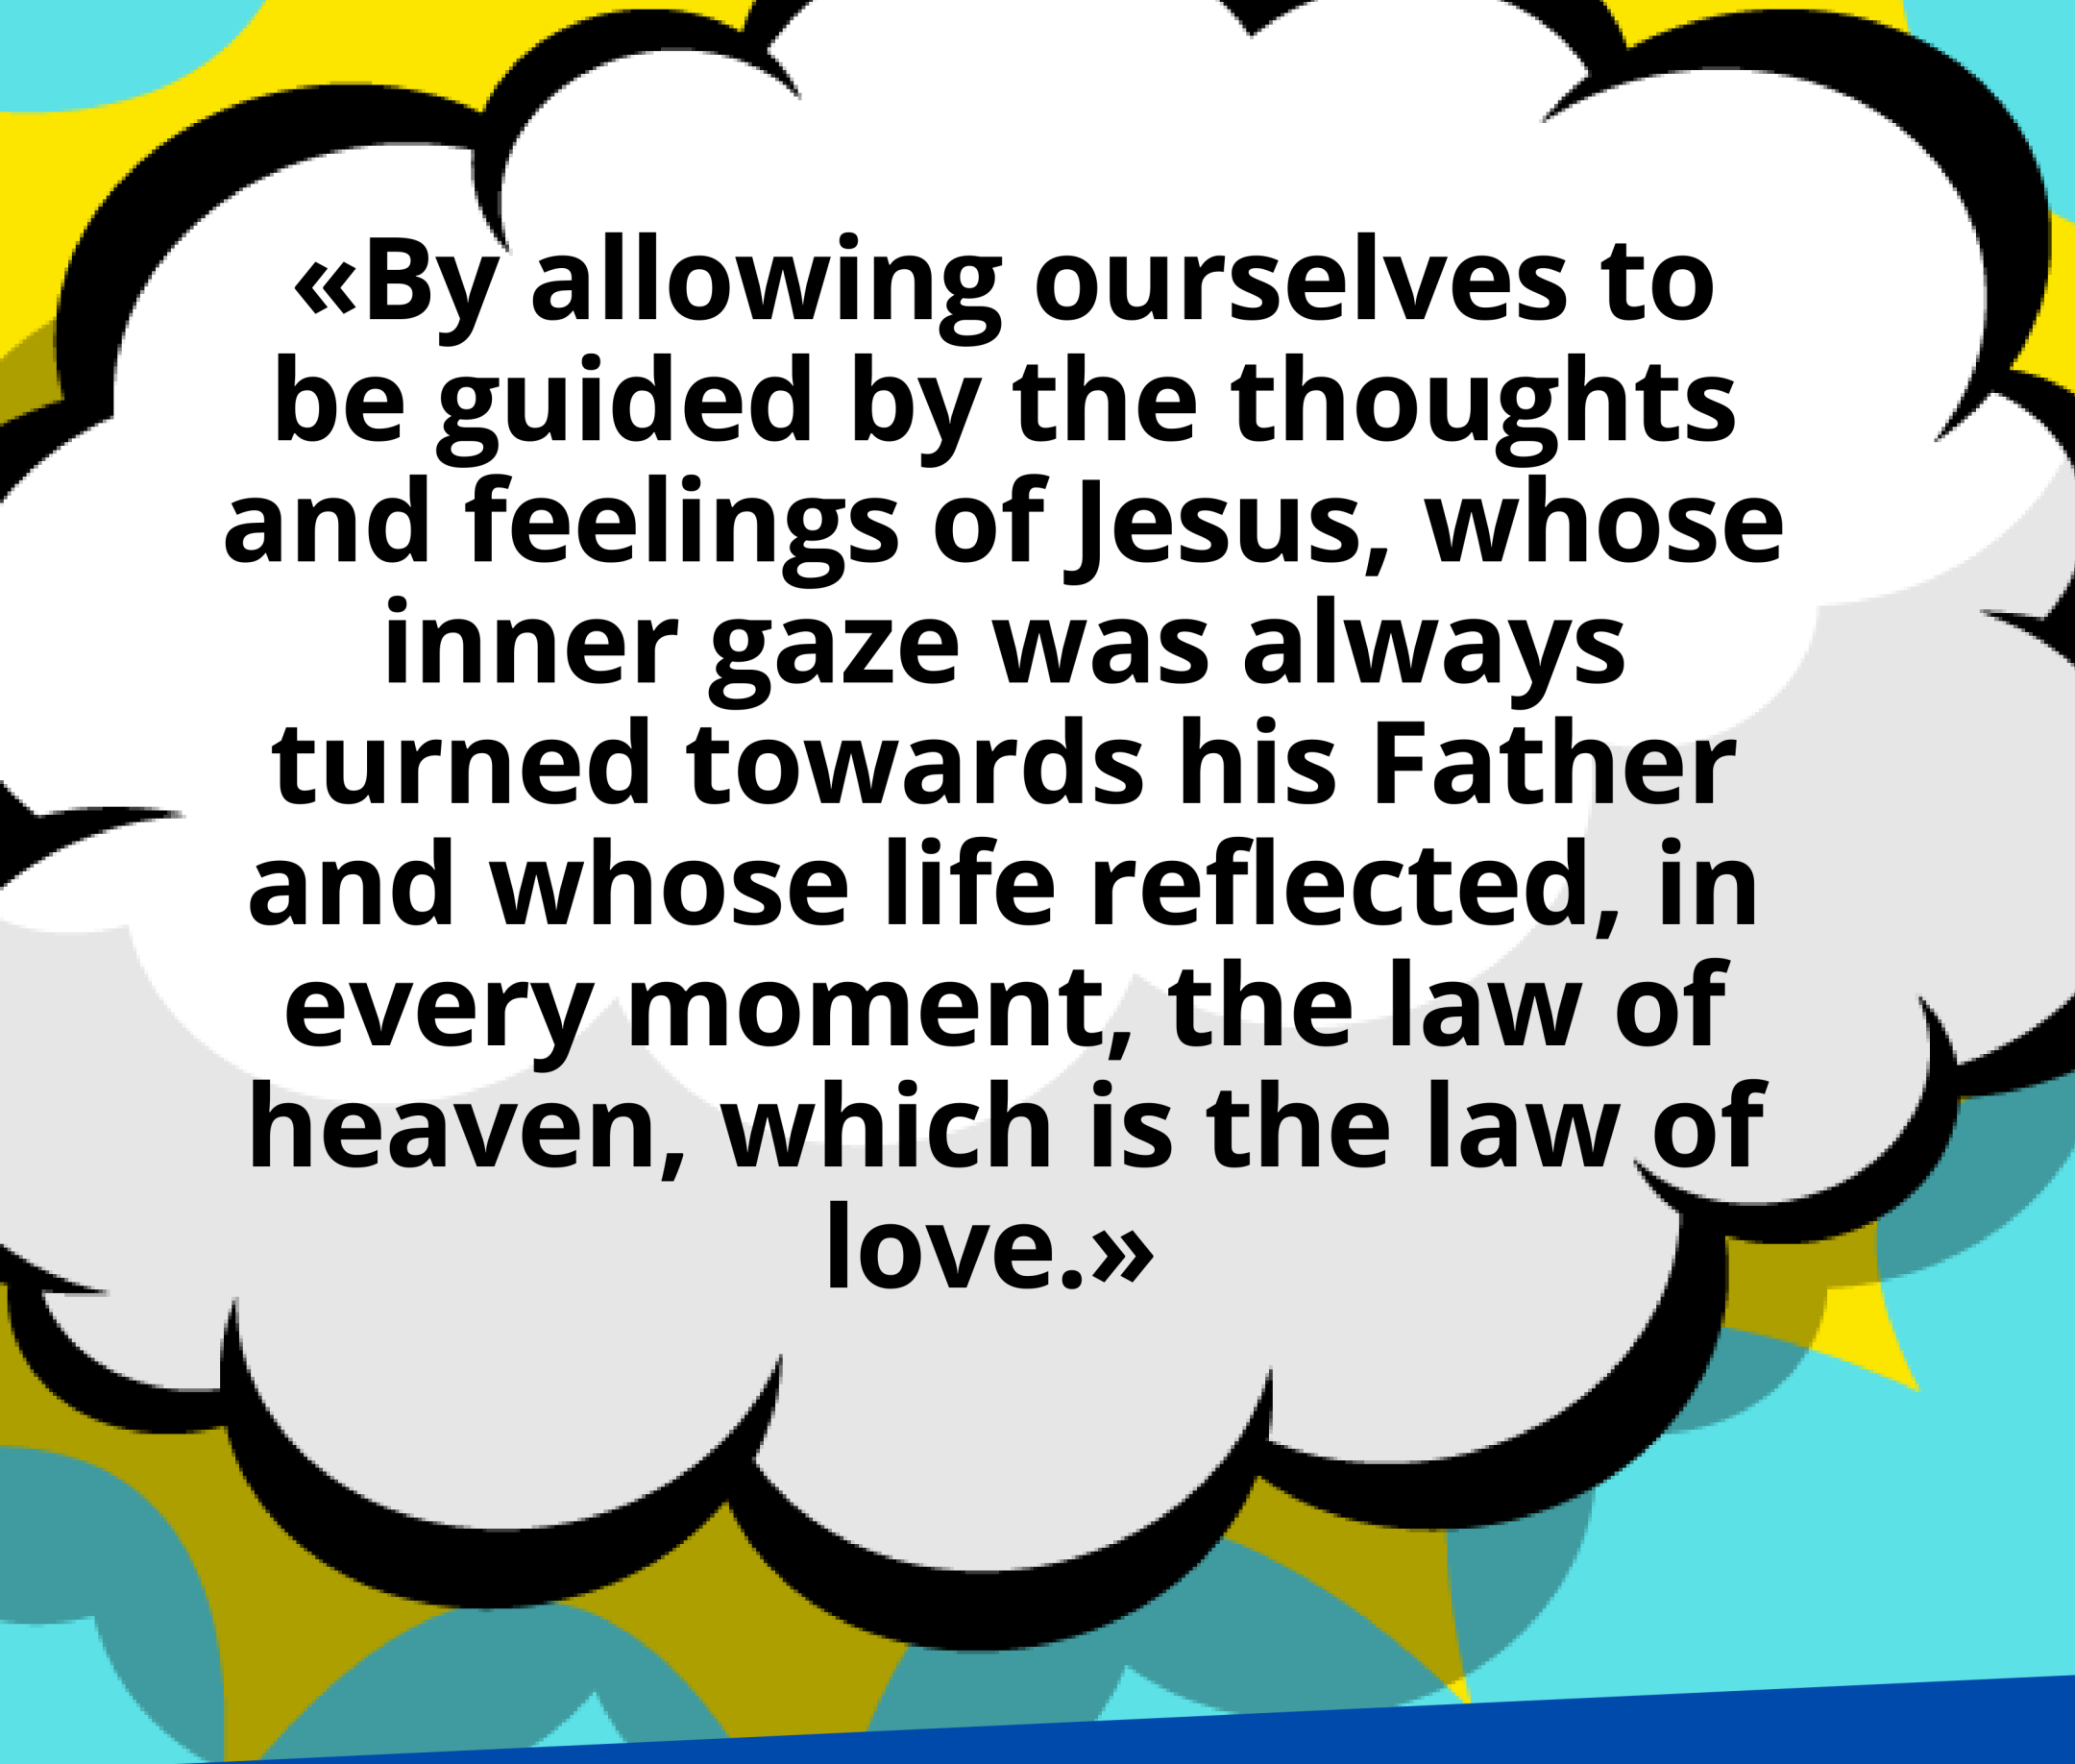

By living them, we can fulfill ourselves as people who are truly risen with Jesus. We will realize that we have never been happier than when we live like this.

**And how can we keep our hearts
anchored to heaven when we live
in the midst of the world?**

«By allowing ourselves to be guided by the thoughts and feelings of Jesus, whose inner gaze was always turned towards his Father and whose life reflected, in every moment, the law of heaven, which is the law of love.»
