

«Let the same mind be in you that was in Christ Jesus» (Phil 2:5)

The apostle Paul was in prison because he was preaching about Christ. He wrote a letter to the Christian community in the city of Philippi. He encouraged them to keep going ahead and to grow in love even more, as individuals and as a community. He reminded them that they had a model who would teach them how to live the lifestyle of the Gospel.

Steps we need to take in order to think like Jesus.

 **First of all, recognize HIS LOVE** in our lives and believe in the power of his forgiveness.

GOD LOVES ME IMMENSELY

I will take 3 minutes a day listening to HIM in silence. 

1

Let's look at him and imitate his way of life. He invites us to **BE THE FIRST TO LOVE**, and this fills our hearts with a very special kind of joy.

HOW I TRIED TO TAKE THE INITIATIVE IN LOVING:

2

 **Believe that we are loved by God!** This will lead us to **OPENING UP OUR HEARTS, MINDS AND ARMS** to each and every person we meet, helping them discover that they, too, are loved by God.

A CONCRETE ACT OF LOVE I DID:

SEE THE POSITIVE IN EVERYONE

Another way to think and feel like Jesus is to be **ENRICHED BY THE GOOD AND POSITIVE QUALITIES IN THE PEOPLE WE MEET**, avoiding any judgements of them or their behavior. Even though it might be hard sometimes to find anything good in another person, we won't get discouraged. We will keep looking!

4

 **One aspect of Jesus' love** that we can make our own is to give freely without expecting anything back. **THIS MAKES US CAPABLE OF PUTTING AT THE SERVICE OF OTHERS WHATEVER SMALL OR BIG TALENT WE MIGHT HAVE**, and in this way build positive relationships wherever we are – at home, at school, with our friends, in sports.....

BE CREATIVE IN LOVING/THE GIFT OF MY TALENTS

Thinking and feeling like Jesus will grow more and more in us, especially if we welcome difficulties and misunderstandings. **WE KNOW THAT IT WON'T ALWAYS BE EASY. AND YET IF WE SOMETIMES, OR EVEN OFTEN, FAIL, WE KNOW THE SECRET! START OVER AGAIN!!**

HOW I FORGAVE AND STARTED OVER AGAIN:
