## Code of Life

*In a world like ours, where violence is widespread, where those who are stronger and more clever win out, and where everything seems to be paralyzed by an atmosphere of materialism and selfishness, where can we find the medicine to heal the world?*

**The answer is:  
love our neighbor!**

Yes, the remedy to heal all these symptoms is to love one another, to live the commandment of love that sums up all the other commandments.

When we try to love everyone, we are not the only ones who benefit, but all those around us are affected as well.

**Relationships between people change as well as between groups, and little by little the world around us is transformed.**

OUR EXPERIENCES FROM AROUND THE WORLD

## SOUP KITCHEN

By:  
MATTHEW - USA

*Illustrated by Tochi*

ONE DAY I WENT  
WITH MY FRIENDS  
TO HELP IN THE  
SOUP KITCHEN

WE WANTED TO  
PREPARE SACK  
LUNCHES FOR  
THOSE IN NEED AND  
ALSO HELP SERVING  
THE MEAL TO THEM

AFTER WORKING  
FOR A COUPLE OF  
HOURS, WE WERE  
JUST FINISHING UP  
THE SACK LUNCHES.

ALMOST EVERYONE  
ELSE HAD GONE  
OUT TO PLAY

BUT I REALIZED  
THERE WAS STILL A  
LOT TO CLEAN UP.

I WANTED TO LOVE,  
SO INSTEAD OF  
GOING OUT TO PLAY  
WITH THE OTHERS,  
I STAYED BACK AND  
CLEANED THE  
FLOORS!

The End

NEXT TIME, YOUR EXPERIENCE COULD BE HERE!!!
