«Whoever loves me will keep my word, and my Father will love him, and we will come to him and make our dwelling with him.»

With this answer, Jesus tells us clearly how he will remain after his death in the midst of his followers, and he also explains how we can be in contact with him.

**What is the way to find this deep friendship with Jesus?**

**By loving him!**

Loving him in concrete terms by living his words and following his commandments.

And we know that the commandment to «**love one another**» sums up all the others.

This means that each one of us has to be ready to love the others all the way to the end.

What should we do so that Jesus will come and live within us?

**Live mutual love with our whole hearts and all the time.**

Doing this all the other virtues will grow in us and we will become saints.

“ During gym class, we had a relay race and the teacher kept track of our time.

When it was my turn, one of my classmates tripped me, as a joke, and so I was late starting.

**I got the worst possible timing! My first reaction was to get even with that classmate.**

But then I felt inside that I had to forgive him because getting even was not the solution, and Jesus was asking me to keep on loving. So I kept up a good relationship with that guy.

**As an answer to my effort to do this for Jesus, I found out that the teacher wasn't keeping a record of the race results that day.**”

So it was worth it to forgive!
