

"YOU HAVE ALREADY BEEN
CLEANSED BY THE WORD
THAT I HAVE SPOKEN TO
YOU" (Jn 15:3).

One way to keep
united to Jesus
is to welcome
his Word into
our heart.

This allows God
himself to **enter our
heart and make it
pure**, cleansed from
selfishness, suited to
bring forth abundant
fruits of good quality.

"YOU HAVE ALREADY BEEN
CLEANSED BY THE WORD THAT I
HAVE SPOKEN TO YOU" (Jn 15:3).

The good fruit that the Gospel promises to
those who let themselves be pruned by the
love of God is *the fullness of joy*.

A special kind of joy 😊 fills
our hearts even in the midst of
tears. 😞 Our heart ❤️
overflows and floods 🌊
everything around us with
love.

It's like being in heaven
while still on earth!

Living the Word of Life

makes us go out of
ourselves towards others.

Let's start by going out
with love to the people
who are closest to us, in
our own family or city or
wherever we are during
the day.

WOL 05

"YOU HAVE ALREADY BEEN CLEANSED BY THE
WORD THAT I HAVE SPOKEN TO YOU" (Jn 15:3).

We will form friendships that
are like a network of positive
relationships. And by loving one
another, we will make everyone
feel *like one family*.

WOL 05

Living the New
Commandment of
reciprocal love makes us
reach the point of having
the same **thoughts and
feelings that Jesus has**. In
this way, we can make him
live again in the world.
🌐🌐🌐 Many people are
entangled in a life of evil
and sin 😞 and yet we can
show them **a new society
where people live the
Gospel** which gives
them **divine purity
and total openness**
to others. 🙏,

"YOU HAVE ALREADY
BEEN CLEANSED BY THE
WORD THAT I HAVE
SPOKEN TO YOU"
(Jn. 15:3).

When we live mutual love,
the Word of Life produces
all its wonderful effects
and leads us to holiness.

A person who is isolated from
others can't resist the
temptations of the world for very
long. Instead, by living a life of
mutual love, they find a healthy
environment that is capable of
protecting their life as a
committed, authentic Christian.

Lubich on the Word of Life, May 1982.
